Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Riverhead Extension of Public Water to Eliminate Use of Contaminated Well Water in fiscal year 2024. The entity to receive funding for this project is the Town of Riverhead, located at 200 Howell Avenue, Riverhead, NY 11902. The funding would be used for the extension of public water main to replace water contaminated with PFAS. The project is an appropriate use of taxpayer funds because it provides safe and clean drinking water to the people of Riverhead..

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
